drawing for 4-H weekly news readers!

Host families needed:

Host families are needed for Japanese students, ages 12-16 who will be in Montana from about July 22-August 17. Families should have kids ages 10-18 living at home. Families without children or younger children may host an adult chaperone. This is a great opportunity to learn about another culture first-hand. Delegates come to experience life in a typical American family so planning special activities is not necessary. To apply go to www.states4hexchange.org/ apply/host/.

In addition, families can host a youth from Costa Rica or Norway. Program dates are June 26 – July 21 or 22. The deadline for this program is NO LATER than March 1. Apply using the same link as above.

Pencil Drawing Workshop

Feb. 23, 9 to 11ish

Extension Office — \$2.00 fee (payable at the Extension Office)

Kids, please bring any pencil drawing or charcoal drawing supplies, as well as any paper.

Don't worry if you don't have any, we have supplies.

If there is a photo or something you would like to draw, please bring it.

Montana International 4-H Youth Exchange (IPYA) delegates need hosts from July 12, 2019 (end of Congress) for about 2-3 weeks at a time. These young adults from European countries want a better understanding of Montana farm and ranch practices, although families do not need to live on a farm or ranch to host. There are 13 young adults from eight countries coming to Montana, with stays ranging from five weeks to three months. Contact sdavison@montana.edu for more information.
